Project Grant Administrator/Applicant

Phone

Email

The narrative application should accompany this application cover sheet and be limited to three typed pages. It should include:

**Description of the project to include goal(s),
the goal of this project is**

Timeline (Start Date)

Timeline (Completion Date)

Action steps to achieve each goal

Measurable Results

Also Include:

- Budget and a budget narrative to explain use of requested funds and available school funding
- Clear linkage of the proposed project to established school or school system goals
- Letter of support from the appropriate administrative office in supervisory position to the faculty, department or school requesting the grant

The project must be completed within the current school year and an end-of-the-year report submitted no later than **May 30, 2023**.

Funding categories are as follows:

- _____ **Single teacher application - up to \$500**
- _____ **Multiple teacher application - up to \$1,500**
- _____ **School-wide application - up to \$3,000**

In the event multiple applications are submitted from a school, the school may prioritize the projects and provide that information on or before the deadline. In the event no priority is received from the school, the committee will review and approve the grants as if all are of equal priority to the school. On or before September 20, 2022, an evaluation committee within the Chamber Foundation will review all applications submitted.

Application deadline for the 2022-2023 school year is September 12, 2022. Applications are to be submitted in person or via mail to the Hendersonville Chamber Foundation at the following address:

100 Country Club Drive, Suite 104, Hendersonville, TN 37075

Awards will be announced at the Golden Apple event on October 11, 2022 at Bluegrass Yacht & Country Club. Details to follow.
